Response to Amendment

1. The amendment filed on 9/16/2004 has been entered.
2. Claims 1-7, 9, 21-27 and 28 have been renumbered as 1-7, 8, 10-16, and 9 respectively.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

Claims 1-7, 9 and 28:

The prior art of record fails to teach or suggest for each portion that is opaque, reading only from the sources that correspond to the opaque portion and that would be visible within the opaque portion during display of the image, and without reading data from any sources that would otherwise be obscured in the opaque region during display of the image in a system that divides the image into slices, each slice including at least one line, dividing each line in each slice into at least one span where each span in each slice has the same at least one associated source.

Claims 21-27:

The prior art of record fails to teach or suggest directing the data streams having the same color space to one or more blending units and blending, by each blending unit, the data streams having the color space that is the same as the associated color space of the blending unit to produce outputs, converting the outputs to a single color space, and blending the outputs to produce an image data stream.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
